VOL. I NO. 11
JULY 1, 1977

FAREWELL, MARY . . . Mary Schroeder, Accounts Payable Clerk, retires today from Wheelabrator after 17 years of service. Mary was honored by the Julianna Club June 22 at a luncheon held at the L.H. Inn. Yesterday, at the Elks Club, Mary was the honored guest at a luncheon hosted by her co-workers.

At the Julianna Club luncheon, Mary (l) and Mary Lou Rethlake (r), President-Julianna Club, smile for our photographer.

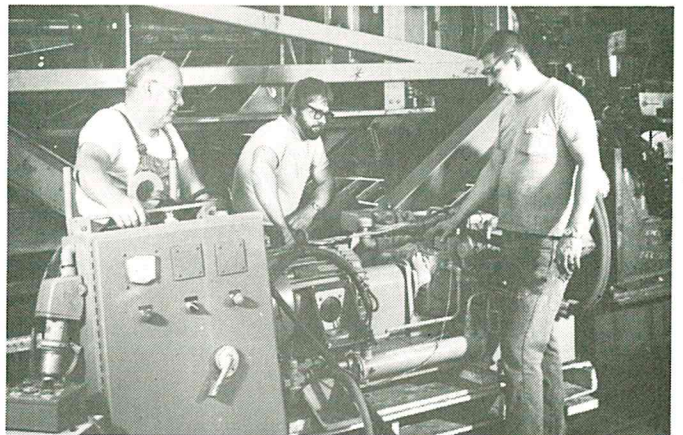

STUDENTS employed for the summer receive instructions from Bill Cholasinski, Superintendent-Assembly (not shown), about their summer assignment and responsibilities. This is the first time summer employees have been orientated and introduced to their supervisors as a group. Good luck and work hard!

\$\$\$. . . An estimated 180,000 Americans are millionaires today, compared with 67,000 in 1962 and 13,000 in 1948. Of course, it takes a lot more money to be a millionaire these days.

ON ITS WAY . . .

Shipped to Pontiac Motor Division, G.M.C., last week was this Wheelabrator Ram Tunnel Blast Machine. It will be used to clean automotive head castings at the rate of 1200 per hour — that's one casting every three seconds. The heads are automatically loaded onto a loading conveyor (right foreground) and then rammed into the blast tunnel. The abrasive blast from nine blast wheels removes all the molding sand.

Checking out the Hydrastatic Drive before shipment to Pontiac are (l. to r.) George Gay, Electrician and Assemblers Al Berry and Dick Barner.

APC COORDINATOR, Chuck DeCraene, was selected as a responder for the Consumer Economics Workshop sponsored by the Elkhart Community Schools last Friday. The purpose of the workshop was to help students plan their futures by adjusting their assets, jobs and goals to changing economic conditions.

ON THE JOB . . .

MARGARET PING, in her role as Personnel Secretary, has got to be Wheelabrator's "answer" lady — she certainly has the answers to this reporter's weekly barrage of questions. When not answering questions, Margaret is busy being wife to husband, Don, and mother to two sons. Margaret currently serves as the Julianna Club's Vice President. When time allows, she enjoys playing bridge, reading and spectator sports — particularly basketball.

ON THE SPORTS SCENE . . .

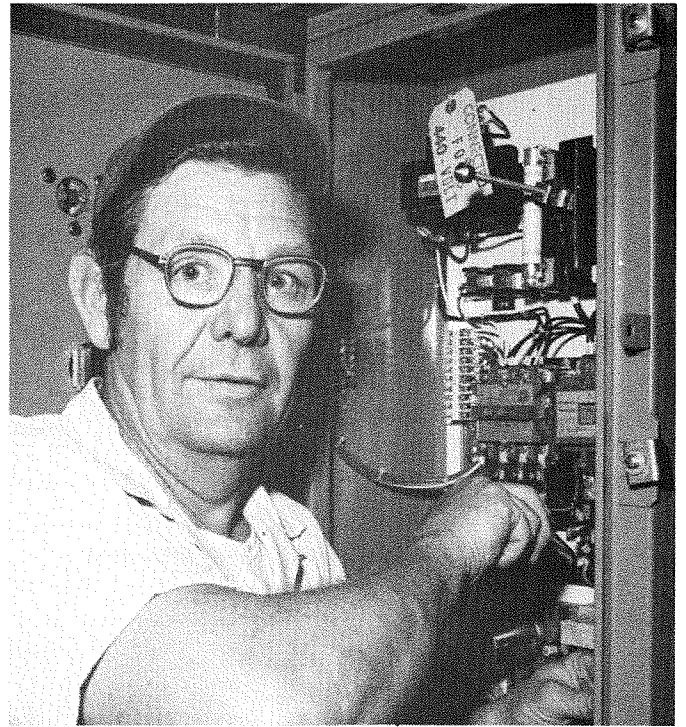

DAWN GOLF LEAGUE — June 27 results — Low Individual Scratch-37 C. Barnes; Low Individual Net-34 B. Hurlbut; Low Team Scratch-82 Team 6 (C. Barnes, R. Hensel); Low Team Net-69 Team 4 (B. Hurlbut, J. Jenczewski). Dawn Golfers Note: There will be no team play July 4. Dues (\$5.00) due Monday, July 11.

TWILIGHT GOLF LEAGUE — No results to report — reporter on vacation.

HOLE IN ONE for George VanBruaene, Regional Supply Supervisor-PFP Specialty, and his 8 iron this past weekend at Playland Golf Center, South Bend (1st hole, 150 yard, par 3). Noteworthy: George's wife, Madylon, hit a drive (same hole) which landed two feet from the pin!

COACH MAURICE "BOGIE" BOGAERT (Machine Shop) and his Burcliff Softball Team took the Trion Invitational this past weekend winning five out of six games. Ronald "Sam" Rothly (Foundry) is a pitcher for the team.

BLESSED ARE THE YOUNG for they shall inherit the national debt.

LOSON YOUNG started his Wheelabrator career 26 years ago in the Stockroom. We talked with him in Assembly where he now works as an Electrician. When not doing "his thing" here at Wheelabrator, Loson can be found at his home in Mishawaka dividing his attention between house, car and motorcycle. The motorcycle, a Harley Davidson, is being readied for a trip Loson plans to make this September to the Smoky Mountains with his son-in-law. Loson has two married daughters and two granddaughters.

MOTORISTS, BEWARE! . . . A state trooper pulled a driver to the side of the road and asked him if he realized that he was driving without taillights. Seeing that the motorist was visibly shaken by the news the officer added reassuringly: "Don't worry, it's not a serious infraction." "It may not be serious to you, but it is to me," said the motorist. "I've lost a trailer, my wife, and three kids."

FORECAST . . . Our editorial assistant, in charge of weather, reports chance of showers and thunderstorms, temperature in the mid-upper 80's.

HAVE A HAPPY 4th!
