ASHLEY SINNETT, AFS EXECUTIVE VICE PRESIDENT, was in Mishawaka Monday to tour our facility and to meet with various MCSD personnel. Later that evening he addressed the Michiana Chapter of the American Foundrymen's Society on "Programs Available Through the AFS."

In our demo lab, tour guides Ardee Freeman, Brown Sanders and Ray Leliaert pause while Ashley Sinnett (second from right) comments.

MIDDLE AGE STARTS the day you become more interested in how long your car will last than in how fast it will go.

A BIT LATE, BUT ...

Congratulations to Kenneth D. Maier, Packager-Plant 2, who celebrated 30 years of company service September 30 and Robert B. Qualls, Maintenance Welder-Maintenance, who celebrated 35 years of service October 29. Belated greetings, fellas!

FOND FAREWELL . . .

Co-workers wish John Nemeth well on the occasion of his retirement. John, an Inspector-Inspection, has 13 years of company service.

TODAY — LAST CHANCE TO . . . Make a bid on the Allis Chalmers Tractor and the Wheelhorse Tractor. Submit your sealed bid to the Maintenance Department. AND . . . to make your reservations for the Julianna Club's trip to Woodfield Mall-Chicago, Saturday, December 3.

YOU CAN'T make the situation any better by wearing a frown.
