ON THE JOB . . .

NORMA CRIDER, Stenographer-Engineering Services, began her Wheelabrator career over 12 years ago as a Blueprint Operator. A member of a Wheelabrator "family team," husband Tom works in the PFP Media plant. A spectator sports "nut" (would you believe this pretty, gentle lady actually screams and pounds the floor if the Chicago Bears are having a bad day?), Norma is an enthusiastic bowler and is a member of the Board of the City Women's Bowling Association and is one of the organizers of "Bowl Down Cancer." With a grandmother in a nearby nursing home, Norma and Tom share part of their weekend time with the aged. Norma and Tom have raised two daughters.

CASIMER TRUCKOWSKI, with 36 years of company service, is a Machine Repairman. "Cas" and his wife, Rose, have raised a daughter and two sons and now have the pleasure of four grandchildren. A watersports enthusiast, he lists fishing, swimming and boating as favorite sports; wintertime exercise comes in the form of snow shoveling (this certainly has been a week for exercising, Cas!). Expert in mushroom hunting, Cas and Rose are also ardent Euchre players.

OUR MOST IMPORTANT PRODUCT IS QUALITY.
