Materials Cleaning Systems Division
Wheelabrator-Frye Inc.

VOL. I NO. 2
APRIL 29, 1977

IT'S NOT TOO LATE . . . (If you haven't already, but we're sure you have) to recognize, this NATIONAL SECRETARIES WEEK, the gals throughout the plant who contribute their talent and skill in keeping things humming smoothly here at Wheelabrator. To all you gals—a verbal bouquet of roses!

ANOTHER WIN FOR WHEELABRATOR! Regional Managers of *Iron Age* magazine (l. to r.) George Wells and John Q. Birmingham present to Bob Schalliol, Manager, Marketing Communications and Ted Gorton, Marketing Manager, an award plaque for the Highest Noted Ad appearing in that magazine during 1976 in the Metal Cleaning and Finishing category. The 4-color, 2-page spread, "If you can pour it . . . Wheelabrator has a system . . ." had an 83% noted score.

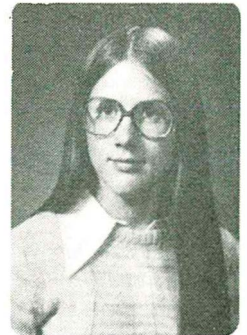

TEAM #3 — Tool Crib and Area 1513-Machine Shop — is the MARCH SAFETY CONTEST WINNER. CONGRATULATIONS TEAM #3!

TRIP THE LIGHT FANTASTIC to the strains of Eddy Knight and his orchestra at the ATHLETIC ASSOCIATION ANNUAL SPRING DANCE—May 14, BK Club, 9:00-1:00 A.M., refreshments—ONLY \$4.00 per couple.

KITTY GETS A FACE-LIFT . . . Undergoing surface preparation in San Diego is 98,000 sq. ft. of the U.S.S. Kitty Hawk flight deck—made easy thanks to Wheelabrator's "handy dandy" BLASTRAC.

VACATION SCHEDULES bring to mind the wife who remarked to a friend . . . "My husband wants to take a trip around the world, but I want to go somewhere else."

WINNER OF THE JULIANNA CLUB SCHOLARSHIP FOR 1977 is Miss Linda Ann Parks, a Mishawaka High School Senior. Linda is the daughter of Mr. and Mrs. Allen W. Wolf — Walt works in Production Control. Linda will pursue her studies at I.U.S.B. and Memorial Hospital of South Bend School of Nursing. She is a member of the National Honor Society and is on the Staff for the Yearbook. The initial Scholarship award is \$300 and may be renewed for three successive years. Congratulations to Linda, her parents and her school!

TEA AND CRUMPETS for Brown Sanders, Industry Manager-Foundry, while in Birmingham, England attending the British Foundry Show. On his return Brown will make a comprehensive report of European competitors who may be marketing their products here in the future. In addition to luggage, Brown transported a plastic model of our new Sand Scrubber to Tilghman-Wheelabrator who are expanding their business of Sand Reclamation in England and on the Continent.

DURING A PLANT TOUR Bob Miller, Personnel Director, explains the function of a 1-20D Blastrac to Brenda Barrett and Dan Barnes of Mishawaka High School. Brenda and Dan are Student Job Developers for the National Alliance of Businessmen's summer work program—designed to make jobs available for high school students in financial need.

BALCRANK SALES DEPARTMENT tells us that Marty Moorman (Order Entry) completed 20 years of

(Continued on back page)

company service March 18; Inez Lovely (Customer Service-Supervisor, Machinery Accessories) completed 30 years of service yesterday! Happy Anniversary!

APPOINTMENTS AND PROMOTIONS . . .

D. J. Rumpler has been named Manufacturing Consultant, responsible to K. E. Blessing. Don will be involved, both Domestically and Internationally, on special projects involving Materials Cleaning Systems and other WFI Divisions and companies.

Frank Williams has been promoted to the position of Senior Buyer. This promotion recognizes the expanded responsibilities which Frank has taken on during the past year in the areas of inventory management, value analysis, and related cost reduction activities.

David M. Carroll has been appointed to the position of Senior Buyer. Dave comes to us from Carlyle Compressor Company, Division of the Carrier Corp., Syracuse, New York. Dave is a graduate of Boston College, Boston, Massachusetts.

Gerald P. McNamer has been promoted to the position of Manager of Manufacturing in Plant I. Since August 1975, he has been responsible for all activities in Machining, Fabrication, Assembly, Foundry, Media and Maintenance. In his new position, Jerry will continue to manage these departments.

Donald Milzarek has been appointed to the Supervisory Staff in the Fabrication Department. Don has assumed the responsibilities and duties of Supervisor of our second shift operations in the Secondary Fabrication—Area 1564—and some associated operations.

DICK GREGORY, Western Regional Manager, at a recent meeting of the American Foundrymen's Society—Rocky Mountain Chapter, Denver—described the \$ benefits of Blast Cleaning and Sand Reclamation in his speech "Sand Reclamation—A Science of Savings."

ELECTED TO THE BOARD OF DIRECTORS — American Marketing Association, Michiana Chapter—is Ted Gorton, Marketing Manager. Ted has been an active member of the local AMA chapter since 1974 when he joined our staff.

IN MISHAWAKA early this week was H. Valdes Benavides, Chief Engineer, WHEELABRATOR DE MEXICO, to coordinate sales activities and receive engineering info.

AT THE INVITATION OF Buick Motor's Spring Peening Division, Flint, Michigan, Ardee Freeman, Dick Fenska, and Gene Tarabek; along with John Cassani, Dave Bunce and Art Joye will conduct an in-plant training session May 2 and 3 for all their maintenance, operators, foremen and engineers. This Division has installed eight Wheelabrator machines.

GOLF LEAGUE UNDER WAY . . . April 18 and 20 results — Low Individual Scratch-36 Gerry Griffin; Low Individual Net-28 Bill Doty; Low Team Scratch-167 Team 11 (G. Griffin, R. Hullinger, J. Baker, L. Cookie); Low Team Net-141 Team 2 (B. Doty, B. Cholasinski, C. Jaronik, B. Miller).

IN FROM ENGLAND Monday were Derek Bayliss (Central Electricity Generating Board) and A. N. McKelvie (Paint Research Association), along with Joseph A. Bruno, Jr., (Assistant Director of Research, Steel Structures Painting Council) Pittsburgh, for discussions and to observe Blastrac steel and concrete surface preparations technique. Accompanied by Duke Mallory, Manager, Technical Development-Marketing, the men attended meetings Tuesday at the Steel Structures Painting Council in Pittsburgh where Duke also participated in the Advisory Committee meeting on Steel Surface Preparation.

WHEELABRATOR AND BALCRANK RECEIVING AREAS have been combined into one area—across from the receiving dock. This move by the Inspection Department is to improve and expand purchased parts inspection. To accommodate this move, Wheelabrator Central Inspection is now located in the former Balcrank receiving area. This provides storeroom space for goods previously stored in the new receiving inspection area. Although some problems have arisen as a result of this change, they are being eliminated with the cooperation of all personnel concerned.

ATTENTION CREDIT UNION MEMBERS . . . Credit Union office has relocated — second floor, R & D Building, Adeline Iwaszewski (ext. 266) will be on hand 1:00-5:00 P.M., daily to handle your transactions.

JULIANNA CLUB CARD PARTY (May 12) . . . You haven't bought your ticket yet??? Check bulletin board for name of ticket rep in your area. Lots and lots of neat prizes (I've been peeking!).

ONE NICE THING about egotists — they don't talk about other people!

NOW YOU KNOW . . . The "little blue boxes" which mysteriously appeared late last week, and were the subject of much comment (some not fit to print!), are merely "newsstands" for THE WHEELAGRAM — our weekly newsletter!

Published weekly by and for employees of Materials Cleaning Systems Division.
