VOL. I NO. 34
DECEMBER 23, 1977

SIGNIFICANT SALE . . . A 3-Wheel Wire Rod Descaling machine to St. Louis Cold Drawn, Inc., St. Louis, Missouri. This machine, their fourth Wheelabrator, is to replace the first one purchased in '73. A loyal customer throughout the years, all parts and abrasive are purchased from Wheelabrator!

IT'S A MERRY CHRISTMAS for members of the WFI Employees Federal Credit Union — the Board has declared a 6% dividend for the fourth quarter with an additional ½% bonus! Remember — new accounts are always welcome.

A NEW LOOK . . . A project to remodel the Main Lobby will begin immediately after Christmas and be completed by January 20. Some inconvenience will be experienced during the three weeks of remodeling. A temporary lobby will be set up in the hallway between Personnel and Accounting Departments and should only be used by visitors and guests of the Company. **Since this area will be small and congested, employees are asked to use the entrances in the rear of the office area near the flag pole.**

BROWN SANDERS, Industry Manager-Foundry, traveled to Cleveland last week to address the national sales meeting of Shalco Systems on our equipment line, specifically Wheelabrator Sand Reclamation Systems.

SANTA AND . . .
