Materials Cleaning Systems Division
Wheelabrator-Frye Inc.

VOL. II NO. 13

APRIL 7, 1978

PLANT II PERSONNEL CHANGES . . . Leo Paharik appointed Assistant Superintendent. He will coordinate the manufacturing and production control functions. Charles Ebright promoted to Production Coordinator. Bill Koontz will be responsible for all heat treat processing of shot in his new function on the Production Staff. Mohammad Khan has joined us as our new Metallurgical Control Laboratory Supervisor. He received his degree from The University of Karacki, Pakistan with additional education at the Illinois Institute of Technology.

CONGRATULATIONS —

To **Oakley Campbell** for his new appointment to the position of Senior Process Engineer in the Manufacturing Engineering Department with 25 years of experience with Balcrank and Wheelabrator-Frye Inc. Operations.

To **Dallas Murphy** recently appointed Foreman of Stores and Shipping Preparation, with the Balcrank Division since 1957, he will be replacing Oakley Campbell.

To **Lucy Brunson** for promotion to the position of Supervisor, Brookins Warehouse, replacing Dallas Murphy. She has had twelve years experience with the Brookins operation.

SOUTHERN REGION NEW APPOINTMENTS: Dave C. Bunce, formerly Account Sales Engineer in the Saginaw Valley Michigan Territory has been assigned to position of Equipment Sales Engineer in the Charlotte, N.C. territory. Ronald J. Doneff is the new Account Sales Engineer in the Tulsa, Oklahoma territory. This increase in the Southern Region staff is the result of increased sales and activity in that area.

Committee Chairmen of the Julianna Club Card Party to be held April 27 at the Queen of Peace Social Hall meet to discuss arrangements. Florence Duncan, Co-Chairman and Del Tenney, Publicity and Program Chairman, were on vacation and are missing from this view. From left to right standing: Debbie Locsi, Ernestine Banes, Ellen Warren, Mary Dentino. Seated are Marcia Batten, Co-Chairman, Joan Draim and Laurie Hardy.

ON THE SPEAKING TOUR — Brown Sanders, Industry Manager-Foundry participated in a seminar on Cleaning Room Operations at the New England Chapter, American Foundrymen's Society, Cast Metal Institute in Boston on March 31-April 1. Brown covered these topics in his presentation: Blast Cleaning Basics, Application, Maintenance and Cost Effective Operations.

FEBRUARY SAFETY CONTEST WINNER . . . First place winner in the Safety First Contest for the month of February is Team 5-Machine Shop, Turret Lathes with the best improvement rate. Eighteen teams compete monthly for this coveted safety award.

CREDIT UNION PAYS 6% DIVIDEND . . . the Wheelabrator-Frye Inc. Employees Federal Credit Union has announced a 6% Dividend for the first Quarter 1978. The dividend will be paid by a credit to all share accounts and will be reflected on the 1st Quarter Statement to be mailed to all shareholders.

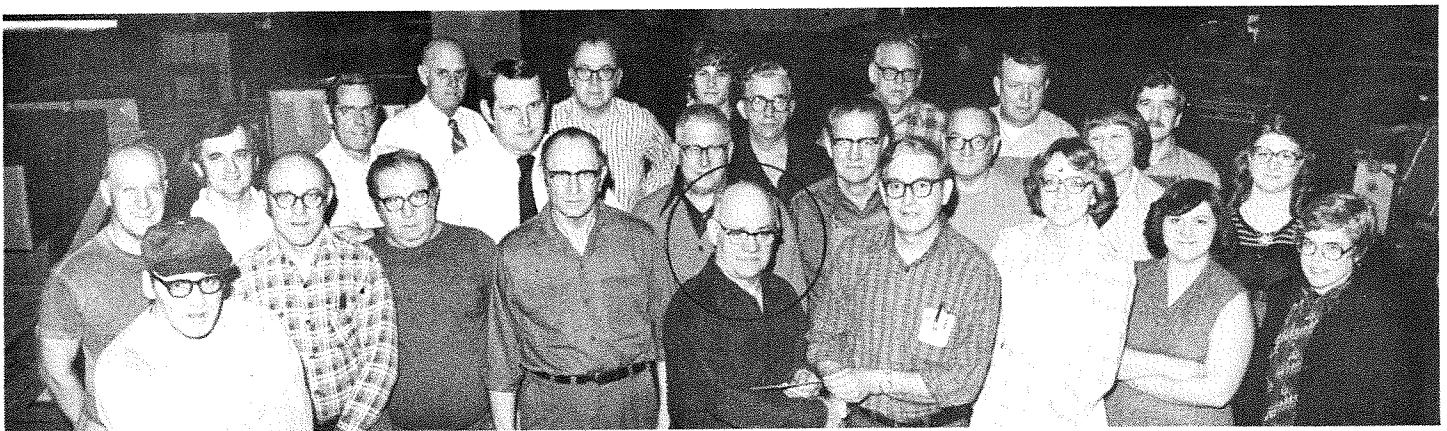

ANNIVERSARIES . . . **Curtis L. Bell, Jr.**, Process Control Operator Helper-Plant 2, 25 years on April 7. **Richard L. Teeter**, Finish Bench Grinder-Foundry, 10 years on April 8.

ONLY TWO WEEKS AWAY! . . . On the Steel Shop Assembly Floor, the 96" Swing Table and Sand Reclamation Units are being readied for display at the Foundry Show to be held in Cobo Hall, Detroit, April 24-28. After the one week show, at which more than 14,000 foundrymen will attend, the Wheelabrator System will be delivered to Ductile Iron Co. of America (DICOA) Foundry in Savannah, Ga.

WE BID THEM HAPPINESS AND GOOD HEALTH —

Del Biesbrouck, Cost Accounting, retiring with 16 years service.

Al VanderBeke, carpenter, South Shipping with Wheelabrator since February 23, 1955.

Vicki VanderBeke, Engineering Services, started August 29, 1955.
