WFI CREDIT UNION reminds us that now is the time to open a '78-'79 Christmas Club Savings Account! If you are currently a Credit Union Member and would like to start a Christmas Club Savings Account, stop in at the Credit Union Office or call extension 266. **Remember — New accounts are always welcome.**

PROMOTIONS . . . Congratulations to: **Michael Vance** promoted from Senior Draftsman to Designer-Engineering; **William Yoder**, from Senior Facilities Engineer to Plant Engineer-Bedford Plant; **Joseph Chapo**, from Designer to Engineer-Engineering. Good luck in your new assignments, fellas!

NEW FACES . . . Welcome to **Judy A. Sawyer**, Key Punch Operator-MIC and **Willa M. Parker**, Stenographer-Marketing.

IT'S A SOUND INVESTMENT says **JERRY McNAMER**, Manager of Manufacturing, as he purchases stock in the Wheelabrator sponsored JA Company "Creative Youth." Balcrank's Ed Dobbs' daughter, **Janice**, is the broker. Products to be manufactured and sold by "Creative Youth" are spoon rings and school medallions.

JULIANNA JABBER . . . Mark your calendars: **Annual Christmas Party** to be held Thursday, December 7 at the Century Center. Chairing this fun event are **Lorrie Pfender** and **Janice Mervilde**; Shopping trip to downtown Chicago or Schaumburg (you have your choice, if you please) will be Saturday, December 9. **Dora Beard** is in charge of this event.

PROFIT . . . HERE'S WHERE IT GOES!

Truck driver **RICHARD BERNDT** shows us his pride and joy — a front end loader — recently purchased for more effective, efficient snow removal (it doesn't snow in Mishawaka, does it?), the removal of foundry waste sand and general yard maintenance. Truck mechanics **BOB JOLLIFF** and **MAX VENA** keep this big baby in tiptop condition for driver Berndt.

CELEBRATING COMPANY ANNIVERSARIES this week are: **Robert P. Ballengee**, General Foreman-Media, 15 years; **Nathaniel R. Wakefield**, Service Engineer-Eastern Region and **Elsie R. Wegnerowski**, Teletype Operator-Office Services, both 10 years. Congratulations to all!

BIKES OUTSELL CARS . . . It seems that the U.S. public's romance with the bicycle may compete with its romance with the car. According to the Bicycle Manufacturers Association of America, more bikes than autos were sold in the U.S. from 1972 through 1977.

In the nation today, more than 100 million of the total population of 218 million are occasional, if not regular, bikers, says **Industry Week**. Between 84 million and 92 million bicycles are in use; the remaining riders come from rentals, families with more members than bikes, delivery bikes, etc. (Steve McTigue: Did you plant this article?)

LET YOUR VOICE BE HEARD — CAST YOUR BALLOT NOVEMBER 7!

THEY COULD HAVE DANCED ALL NIGHT . . . Wheelagram's Candid Camera was on duty again — this time recording the festivities at the Annual Dinner Dance sponsored by the Athletic Association, held last Saturday nite.

ATHLETIC ASSOCIATION REPORTS . . . Starting next Monday nite — and every Monday thereafter thru December 18 — there will be basketball and volleyball for all those interested. The action will take place at John Young School, 7:30-9:30 P.M. All employees are invited to participate.

WAA Fishing Contest — Just a reminder that any card turned in after October 31 will be entered in next year's contest.

The employees only **Stag** is slated for Saturday, November 18, BK Club. Donation \$1 — Prizes include: 19-inch RCA color TV, 12 GA Shotgun, black & white TV.

LET'S DIG IT! Deep beneath Indiana's normally shallow strip mine fields lies more coal. State and federal geologists discovered unexpected rich new veins during a survey which has involved the drilling of eight holes so far. The scientists, based at Indiana University, said many of the rich veins were between 500 and 1,000 feet deep.

OOPS, PARDON OUR SLIP . . . In last week's issue we featured photos of the season's winners from the Twilight Golf League. Let us go on record to say that **Joe Kring** should have been **Dale Sindors** and **Dale Sindors** should have been **Joe Kring** — right??? Sorry guys, we should know better!
