LET IT SNOW, LET IT SNOW, LET IT SNOW . . .

AND IT DID! Orval Nappier, Group Leader-Plant Security, shows us some of the white stuff which prevented the MCSD troops from doing their WFI thing for several days here in Mishawaka — and for those who asked, kept the presses from rolling last Friday.

GILBERT RETIRES . . .

EDWARD W. GILBERT, Arc Welder-Fabrication, was honored by co-workers last Monday, January 23, marking the day of his retirement. Ed has over 12 years of company service. Best wishes, Ed!

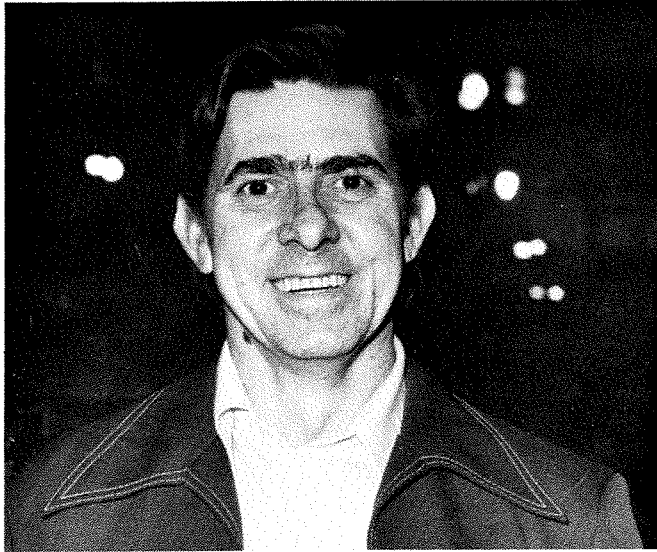

THAT FIRST IMPRESSION . . .

The House of Dior has nothing on the House of MCSD when it comes to creating a “new look!” The minor inconvenience experienced during the 3-week remodeling period of the Main Lobby was, indeed, minor and the result well worth the effort.

A FRIEND complained he thought his marriage was breaking up because his wife never helped him with the dishes any more.

CAMPBELL CELEBRATES SILVER ANNIVERSARY . . .

OAKLEY CAMPBELL, Foreman, Stockroom-Stores and Receiving, celebrated 25 years of company service January 8. Belated greetings, Oakley!

AND, congratulations to CAROLYN CLAYTON, Working Supervisor, Contract Administration-Customer Service, who celebrated her tenth anniversary January 25.

NEW FACES . . . Welcome to EDDIE BRANDY, JR., Engine and N/C Lathe Operator-Machine Shop.

YOUR ATTENTION PLEASE! . . . WFI Employees Credit Union announces the following schedule, effective January 31: **Share withdrawal checks** will be available **Tuesday** afternoons from 3:00-5:00 P.M.; **loan checks** will be picked up **Thursday** afternoons between the hours of 3:00-5:00 P.M.

DECEMBER SAFETY CONTEST WINNER — TEAM 17 . . .

Congratulations to Team 17, winner of the December Safety Contest. Representing the three shifts of Area 1565 (Welders in Fabrication) is the first shift crew.

CABIN FEVER? . . . Get out of the house and attend the **Industrial Fair at Century Center, South Bend** this **Saturday and Sunday, February 4 and 5 from 10:00 A.M. to 4:00 P.M.** All Michiana firms, including **Wheelabrator**, will tell their manufacturing story to the public. AND, the price is right . . . **FREE!**

WFI MAINTENANCE MEN WIZARDS DURING BLIZZARD . . .

Thanks to the conscientiousness and extra effort given by our maintenance men who were able to come in last weekend, our plant is in good shape. Because of their cooperation and excellent work, Maintenance helped to prevent major facility damage — which could have been very costly and/or adversely affected production. Thanks, guys!

PROMOTIONS . . . GERARD W. GRIFFIN has been named Manager-Export Sales. A graduate of the University of Notre Dame, Gerry holds a B.S. degree in Marketing. Originally assigned to the Parts Sales Department, he was promoted Administrative Assistant to the Export Manager July, 1975, and since that time has contributed to the successful operation of the MCSD Export Department. **CONGRATULATIONS, GERRY!**
