VOL. II NO. 5

FEBRUARY 10, 1978

LET'S PITCH IN AND HELP . . . Coal supplies at electrical utilities are dwindling due to the continuing coal strike. In line with Governor Bowen's request for voluntary reduction in electrical consumption, our company is taking appropriate action to reduce our consumption to the maximum extent possible without curtailing plant operations. Accordingly, all areas heated electrically will be maintained at 65° F in occupied areas and 40° F in unoccupied areas. Any unnecessary lighting and all electrical machinery not actually being used will be turned off. Our cooperation is needed during this emergency. Hopefully, we can prevent the need for mandatory curtailment of our electrical consumption, if the strike continues for an extended period.

PROMOTIONS . . . Congratulations to: TONY KRUSZEWSKI appointed to the new post of Vice President-Finance. Tony will have broadened financial and accounting responsibilities for all organizational elements of MCSD and will be able to devote more attention to domestic and international affiliates and subsidiaries; GERRY BANK promoted to Division Controller and will be responsible for the General Accounting, Financial Planning and Budgeting, Cost Accounting, Billing, Estimating and Payroll sections; WILL GLUSAC promoted to Manager, Cost Accounting and will manage the Cost Accounting and Billing sections of the department; RALPH SANFORD promoted to the position of Director of Industrial Relations.
