## SILVER ANNIVERSARIES FOR . . .

**JOSEPH R. WEINKAUF** (top photo) reached the 25-year mark last Saturday and **GEORGE C. BRANDT** (bottom) celebrates today! George is Process Control Operator Helper-Plant 2 and Joe is Chief Expeditor-Production Control. Also celebrating — ten years of company service, that is — are: **WEBBER WHITE**, Custodian-Plant 1 Maintenance; **JOHN W. VICSEK**, Core Assembler-Foundry; and **JAMES C. SPIRIDON**, Sheet Metal "A"-Steel Fabrication. **HAPPY ANNIVERSARY, FELLAS!**

**SPRING'S SPRUNG — MARCH 20! COMMENCE CLEANING . . .** Spring and cleaning. These are two words which have become practically inseparable. The mop, the bucket, the scrub brush are as symbolic of this season as the crocus and the daffodil. Nothing is quite so satisfying as the wakening from winter doldrums to the constructive action of cleaning, scrubbing and polishing.

If we add to this basic spring mixture the further ingredients of repairing steps, roof, electrical appliances, painting interior and exterior surfaces, planting flowers, our community will reflect nature's reawakening.

**HAPPY EASTER HOLIDAY! . . .** All departments of Production, Maintenance and the R & D Unit will be closed Friday, March 24 through Monday, March 27 in observance of the Easter Season. Salaried employees directly connected with operations will also observe the Monday holiday.

All other weekly and semi-monthly salaried employees will observe Friday, March 24 as holiday and report to work Monday, March 27.

**ON THE SUBJECT OF CONSERVATION . . .** We're in a holding pattern — complying with the State Public Service Commission's order to curtail our electrical consumption by 25%. The continued efforts by employees to reduce consumption are appreciated.

## SOUTH OF THE BORDER . . .

**Sara Rosales**, Receptionist and Telephone Operator-Wheelabrator de Mexico, S.A., operates the 1-8D Blastrac under the guidance of **George Snyder**, Technical Supervisor-Blastrac. George was in Mexico to "show-n-tell" Blastrac at the recently-held Petroleum Show.

## THE WINNERS . . .

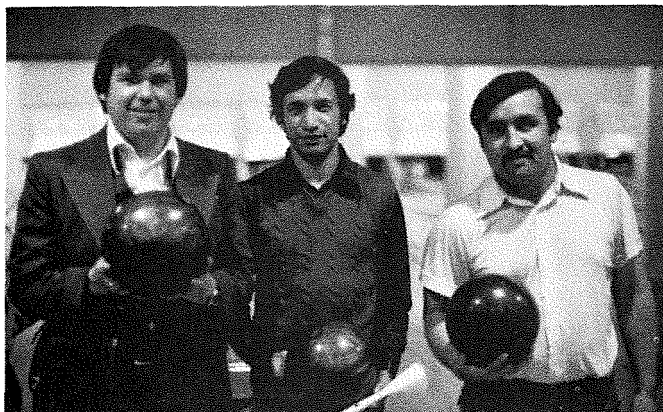

To encourage interest in foundry techniques at the high school level, the Michiana Chapter of the American Foundrymen's Society sponsors an annual contest open to high school students in Indiana and Michigan. Winners of the contest were announced at this month's dinner meeting of the AFS and are (l. to r.): Dale Canfield, Molding winner from Buchanan Middle School, Buchanan, Michigan; Willy Baughman, Finish Casting winner from Pekalb High School, Waterloo, Indiana; and Kerry Dager, Patternmaking winner from Fort Wayne North Side, Fort Wayne, Indiana. Respective instructors standing behind their student are (l. to r.): Tom Hosteller, Robert A. Emmert and Jon Bill. WFI personnel (l. to r.) Brown Sanders, Tom Burmeister, Jim Converse, Curt West and Jim Bird pose with the winners. (Jim Converse, Manager-Plant 2, was guest speaker and M.C. for the evening's festivities.)

**NEW FACES . . .** A Wheelabrator welcome to: MARCIA J. GANYARD, Clerk-typist, Supply Sales; DEBRA K. McCAMMON, Clerk-typist, Engineering; CHARLES M. STILES, Account Sales Engineer, Marketing; and DONNA E. BACH, Executive Secretary, Division General Counsel.

A MOTHER of four lively children defined frustration as: "When her cope runneth over."

## ON CAMERA . . .

Members of the winning team of the previously reported Wheelabrator de Mexico Bowling Tournament are (l. to r.): Aurelio Arteaga (Sales Coordinator), Ramiro Ponce (Accounts Receivable) and Jesus Valdez (Service Engineer). Congratulations!

**JULIANNA JABBER . . .** Spring Shopping Spree chairmen Joan Schue and Kathy Byrd are in the process of circulating a memo with all the particulars. Purpose: to determine a count as to how many members and guests intend to go. Remember — the date is April 29.

Tickets are on sale for the annual Julianna Club Card Party — have you purchased yours? Patron tickets are available for the non-card playing types who would like to support this worthy cause. (All proceeds go to the Scholarship Fund.)

**ATHLETIC ASSOCIATION REPORTS . . .** Meeting for those interested in playing softball is set for **this evening**, 7:00 P.M., B.K. Club.

Anyone interested in joining the Twilight Golf League contact Larry Baker, ext. 331.

Plan ahead — Bus trip to the Norton Twin 200, Michigan International Speedway is scheduled for July 16. If interested, contact your area AA rep. (See your bulletin board for details.)
