VOL. II NO. 22

JUNE 9, 1978

LAST OF THE MOVES . . . June 10 Marketing Services moves from Plant 1 to the northeast half of the second floor, R & D Building.

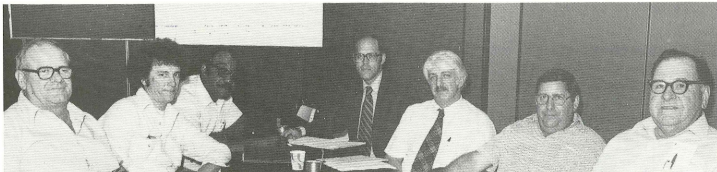

CONGRATULATIONS TO **Chuck Burrow** appointed Foundry Foreman. Most recently, Chuck was a crane operator in Plant 2. Prior to joining our Division, he was a foreman at Dodge Manufacturing where he was responsible for the machine molding and pouring areas.

CELEBRATING 10 YEARS of company service this week are: **Harry A. Breske**, Assistant to Manager-Customer Service; **Charles L. Slane**, Manager-Software and Systems-M.I.C.; and **Robert L. Adair, Jr.**, Shakeout-Foundry.

NEW FACES . . . Welcome to Wheelabrator **Andre R. Baldwin**, Light Drill Press-Machine Shop; **Mary Jean Johnson**, Stenographer-Parts Sales and **Sandra K. Englehart**, Stenographer-Supply Sales. AND a very belated welcome to **Theodore J. Kostilnik**, Service Engineer.

"WOMEN IN INDUSTRY" was the subject when **John Harris** presented MCSD's first female sales trainee **Kate McKeown** at last week's Mishawaka Lions Club luncheon. (Interesting aside: Today, with new laws in effect, women are receiving equal status and now make up 40% of the work force.)

WRAPPING UP . . .

Wrapping up three years of service are U.A.W. Local 995 outgoing officers: (from left) **Kenny Bidlack**, President; **Jerry Davis**, Committee Member; **LeRoy Danzy**, Committee Member; **Jerry McNamer**, Manager of Manufacturing; **Ralph Sanford**, Director-Industrial Relations; **Rich Plumber**, Vice President; and Committee Member **Howard Grove**. (Missing from the photo are Committee Members **Kelly Tucker**, **Ed Petree** and **Al Skwiercz**.)

THE WINNER IS . . .

The big winner of the '78 Julianna Club Plant Raffle is **Janis Leach**, MIC Keypunch Co-ordinator (\$100.00 bond). (from left) **Rena Lester**, Julianna Club Board Member-Office; **Barbara Moon**, Chairman; **Janis and Steve McTigue**, drawer of the lucky names. Other winners include: **Lourdes de la Torre**, **Carl Gamauf** (\$50.00 bonds); **Clara Kovach** and **Gordon Kroening** (\$25.00 bonds).

CAREER ROLES CHANGING? Ask **Gerry Griffin**, Manager-Export Sales. With the aid of a slide presentation, "Choosing Your Career," Gerry recently discussed career goals with his "Project Business" class at Schmucker Middle School. No girl in the class chose the role of housewife and mother; but some of the female picks were: corporate lawyer, marine biologist, fashion designer, stage director, illustrator and defense attorney.

HAPPINESS AND GOOD HEALTH TO OUR RECENT RETIREES . . .

Maurice J. VanPoelvoorde, Scheduler-Production Control. "Red" retired June 2 with 44 years of company service.

Ralph N. Smith, Carpenter-South Shipping, with 35 years service.

And with 36 years of service, Elmer Mast, Carpenter-Maintenance.

ON THE SPORTS SCENE . . . WFI's Softball Team lost to Edwards Iron Works 9-7.

AT WHEELABRATOR de MEXICO is **Hank Van-Waeyenberghe**, Foreman-Assembly, serving as an "on the floor" consultant as well as instructor for the training of Assembly personnel.

AND THEN THERE WAS LIGHT . . . The energy crisis has eased — plant electricians (better known as bulb snatchers) **Lynn Kaser** and **Jerry Crowe** are now returning those missing bulbs.

NO SMOKING
