Merry Christmas

J. E. O'Callaghan
President and General Manager

Once again the Holiday Season is with us bringing pleasant memories, family and friend reunions and the warm feelings we all experience this time of year.

It's always a good time to reflect on the past year and remember how truly fortunate we are. We each have much to be thankful for. At the top of my personal list is my appreciation and thanks for the job each of you has done in accomplishing our objectives and serving our customers. Your individual achievements and efforts are all important to our common welfare.

As we approach another year, let's renew our commitment — if not to strive for perfection, to achieve certain improvement. In our competitive economy, each of us is dependent on the customers we serve. We each have a vital role to play in holding our existing customers and winning new ones. Our future will be determined as a result of a successful partnership among us and such success is achieved only in a spirit of understanding, cooperation and mutual respect. These qualities are most "alive" at this time of the year — let's strive to keep them year-round.

To each of you my personal wishes for a very Merry Christmas and a blessed and peaceful New Year!

Sincerely,

J. E. O'Callaghan
