MATERIALS MANAGEMENT REPORTS ORGANIZATION CHANGE . . . Effective immediately, the Repair Parts Service Unit reporting to Bill Haas, Warehousing Superintendent, is transferred to Clyde Hickman, Production Control Manager. This organizational shift is being made with the intent of improving the communication links both within the Materials function as well as with Repair Parts Sales. This move also consolidates responsibility for customer promises and commitments for all Plant 1 product lines under Larry Wilcox, Production and Inventory Manager.

Materials Manager Jules Kneitel comments “we must continue to make those changes necessary in organization or operating methods to meet the competitive pressures of the marketplace.”

MANAGEMENT CLUB MEMBERS: Don't forget the annual dinner-dance tomorrow night at the Elks Club. Cocktails will be served from 7 til 8 o'clock, with dinner following.

REMINDERS FROM PERSONNEL . . .

INDIANA COUNTY OPTION TAX . . . The Indiana county in which you are residing on January 1 of each year determines whether you will be required to pay a county option tax during that year.

If you have moved, or will be moving, from an Indiana county that has not adopted the county option tax into a county that has (or vice versa) anytime this year, please be sure to stop at the Personnel Office to sign a new Exemption Tax Certificate.

MEDICARE . . . If you or your spouse will become 65 during the remainder of this year or during the next year, be sure to enroll with your local Social Security office for **both** Parts A and B of Medicare **approximately three months before the 65th birthday**. Failure to enroll may deny you important health benefits.

If the employee will not be 65 during the remainder of this year or during the next year, but has a spouse who will become 65 during that time, the employee should report to the Personnel Office for further details.

OFF TO COLLEGE? Any employee or child of an employee who will be eligible to enroll in college in the Fall of next year has the opportunity to apply for the Verne E. Minich “Founder” Scholarship (at Purdue University) or the Otto A. Pfaff Scholarship (at the University of Notre Dame). Application must be made before **JANUARY 1**. Check with the Personnel Office. Field personnel may write for further information. Scholarship winners receive \$1500 per year toward their school expenses.
