Holiday Greetings

Christmas marks the eve of another year and the dawn of a new one. It is a time when we assess our accomplishments and set our sights on next year's goals.

We've met many challenges during the past months. Thanks to a deep sense of service to others, these challenges have resulted in a year of progress and goodwill.

This goodwill is particularly stressed during the holiday season. And rightly so. It is seen in the spirit of Christmas giving and the warmth of family and friend relationships.

While we prepare to enter the festive holiday celebrations, let us feel the glow that comes from having marked the true spirit of Christmas, not only this month, but during the whole year.

As the year draws to a close, I'd like to take this opportunity to thank each and every one of you for the immeasurable services you have given to our organization and the people we serve.

My sincerest wishes for a Merry Christmas and satisfying New Year.
