VOL. IV NO. 14

FOUR-TIME WINNER . . .

Iron Age magazine's Regional Business Manager, **Cindy Lillibridge**, presents **Bob Schalliol**, Manager-Marketing Communications, with an Ad Chart Award for the "Highest Noticed Advertisement" in the weekly issues of that publication. This is the fourth consecutive year in which our national advertising program has received such an award. The 1979 winning advertisement featured Wheelabrator's capability in sand reclamation.

FLASH . . . Due to current economic conditions, WFI Employees Federal Credit Union announces the following policies, effective immediately:

The annual rate of interest on **all** new loans and advances is now 15 percent — or 1.25 percent per month on the unpaid balance.

There will be no re-financing of **auto** loans held by other financial institutions.

There will be no re-financing of **signature** loans until 50 percent is paid back.

The Credit Union is offering certificates of deposit. Call the Credit Union office for details.

GONE FISHING . . . **Jack Beery**, after a recent trip to Florida, brings greetings from retiree **Bob Pflugner**, former Manager-Shipping, Receiving, Warehousing and Transportation. Apparently Bob's fishing companion these days is "Bozo the Clown" of TV fame (now retired). When Jack commented, "How appropriate," Bob quickly retorted, "Of course, haven't I been fishing with clowns all my life?" (Bob, this can't possibly be a reference to the Balcrank gang!)

PROMOTIONS . . . Congratulations to Blastrac's **Randy Schleisman**, promoted from Customer Service Manager to District Manager-Houston.

SERVICE ANNIVERSARIES . . . **Robert Varga**, Arc Welder "A"-Steel Fabrication, chalked up ten years of company service April 8.
