Attention - Sales Manager

Gentlemen:

Too often in today's society "Quality" in reference to manufactured products is interpreted to mean "foreign made". Nothing can be further from the truth.

Quality is as American as apple pie and your organization is a good example of a quality manufacturer. The products produced by your employees and shipped to Delco Remy during our 1980 model year were of excellent quality -- a fact recognized by the enclosed "Quality Achievement Award".

Your organization is among the 75% of our vendors who are receiving such Quality recognition in 1980. This select group has increased steadily since 1978 when only 18% of our vendors qualified, and we anticipate this percentage rising even higher in future years.

Your organization and personnel are to be congratulated for a "Quality Job - Well Done". We look forward to your continued "Quality" performance in the future.

James Newton
Material Handler, Plant 2
25 Years (October 27)

NOTHING IMPOSSIBLE??? The next time someone tells you nothing is impossible, ask them to dribble a football.

NOTE FOR DIETERS . . . There's new help for undisciplined dieters. Carol Kiebal of Palatine, Illinois has invented Diet Conscience, a tiny tape player that fits in the refrigerator. Each time the door opens a chiding voice booms: "Are you eating again? No wonder you look the way you do! Do yourself a favor — shut the door!"

CIRCLE YOUR CALENDAR . . . Saturday, November 15, is the evening slated for our Athletic Association's employees only **Stag**.

The semi-annual affair will be held at the BK Club, 721 South West Street, Mishawaka. Lots of fun, food, and refreshments for a dollar donation. Prizes include a chain saw, 100 gallons of gas or \$100, and a bushel of booze.

PUZZLE CORNER . . .

A two-star teaser from **Ted Zielinski**:

What time would it be if I told you that an hour ago the time was four times as many minutes past 1:30 as there now are minutes to 4:00?

WFI BOWLING LEAGUE . . . October 21 results: North Shipping (**L. Young, R. Cukrowicz, O. Boembeke, B. Fore, C. VanBellegham**) continues their first place with 20 wins and 8 losses. Team High Three Games (2908) North Shipping; Team High Game (1027) Rolling "5" (**F. Britton, E. Buss, D. Susan, G. Weston, J. Mumby**); Individual High Single Game (237) **H.
