VOL. IV NO. 43

NOVEMBER 21, 1980

**The System.
You can try to fight it.
Change it.
Beat it.
Knuckle under to it.
Or improve it.**

But first you have to learn it.

That's what Junior Achievement is all about. And that's why Wheelabrator-Frye is proud to sponsor four JA companies and why 16 of our employees donate their free time to teach the youth of our community how to run a business and to learn firsthand about our country's Free Enterprise System.

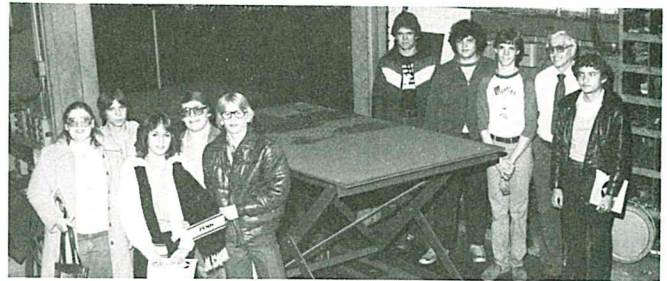

Recently the youngsters from our sponsored companies visited our facility and had an opportunity to observe the Free Enterprise System in action:

Wonderful Woodworks — Serving as advisors are: Perry Roseman, Sherrinell Graven, Gina Enders, Carl Bennett.

Century Products — WFI advisors include: Ken Filipek, Ken Deka, Ken Rinkenberg, Monte Visser, Mike Sheer.

TNT Services — Advisors are: John Earl, Patsy Becher, Jim Payne.

Penn Wheels — Working with this group of youngsters are: Mike Vance, Walt Wolf, Willa Mae Parker, and Terry Spice.

It's A Sound Investment, Jerry! Manufacturing Vice President Jerry McNamer had an opportunity to meet the young people during their tour of our facility and to make an investment in the future by purchasing JA stock — which they just happened to have for sale.

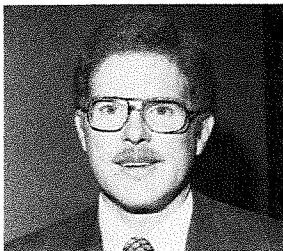

Zimmer Visits JA Businesses — Last week, WFI's Personnel Director Karl Zimmer visited our four sponsored companies, where he presided at the installation of officers and presented JA Charters to the young business people.

PUZZLE CORNER . . .

I'm sure everyone is familiar with the magic square:

8	1	6
3	5	7
4	9	2

where the numbers add up to 15 horizontally, vertically, and diagonally.

Complete a five-by-five magic square using the numbers 1-25. (Hint: The numbers add up to 65.)

Solution to last week's puzzle: 40 Yards.
