Holiday Greetings

In spite of the difficult business climate which surrounds us, Christmas time is here — a time when friends and family celebrate together to help each other make this season a happy and joyous time of year. In many of your homes, as well as mine, the children are looking forward to Santa Claus and the fun of sharing.

James A. Schroeder

If I could make a Christmas wish for us, I would wish that our Christmas stockings be filled with full employment, good business, good health, joy and happiness.

The best way I can think of to make this Christmas wish come true is for us to continue working together in a spirit of mutual support and cooperation and to continue working hard to increase productivity for our mutual benefit.

During the year our customers experienced problems — so did we. We had setbacks but we also had gains in our spirit of cooperation, mutual support and understanding, all of which helped us to produce a 34 Super II Tumblast in record time, install a “spin shotter” in Plant 2 and accomplish a number of other projects that reflected our team spirit.

Together we can make 1982 a better year for everyone. We won't be leaving all the problems behind us in the new year but with continued hard work, loyalty and a lot of special effort we can be a winner!

In the spirit of Christmas peace and joy and optimism for a new year, I wish each and every one of you and your families a Merry Holiday Season.

James A. Schroeder
Executive Vice President and
General Manager

CELEBRATING CHRISTMAS THE WHEELABRATOR WAY . . .

Wheelabrator's young set on camera at the annually-held theatre party for the wee tots and the roller skating party for the teens.

Santa and some of the Athletic Association reps who work so hard to make these parties a success.

And what would a Wheelabrator children's party be without "Boots" Dworecki serving as Santa's helper. (Boots, a lab technician, is on extended sick leave.)

JULIANNA CLUB . . .

The women of Wheelabrator gathered together last Friday for good cheer, good fellowship and camaraderie.

Marketing's **Margaret Sawyer** receives recognition for 45 years of company service from Julianna Club president **Lorrie Pfender**.

MANAGEMENT CLUB . . .

In the spirit of the season, members of the Management Club gathered last Saturday at the annual Christmas Management Club party.

Our best wishes to Wheelabrator newlyweds — Dick and Alta Myers Naragon and Ralph and Patsy Becher Ballard.

COMPANY CARRIES ON TRADITION . . .

Employees, retirees and employees on layoff status picked up their holiday feast — Christmas turkey and ham — last Tuesday, compliments of Wheelabrator-Frye. Members of top management were on hand throughout the day to help in the distribution of this long-time Wheelabrator tradition. (And don't we just love tradition!)
